

Dear Praying Saints

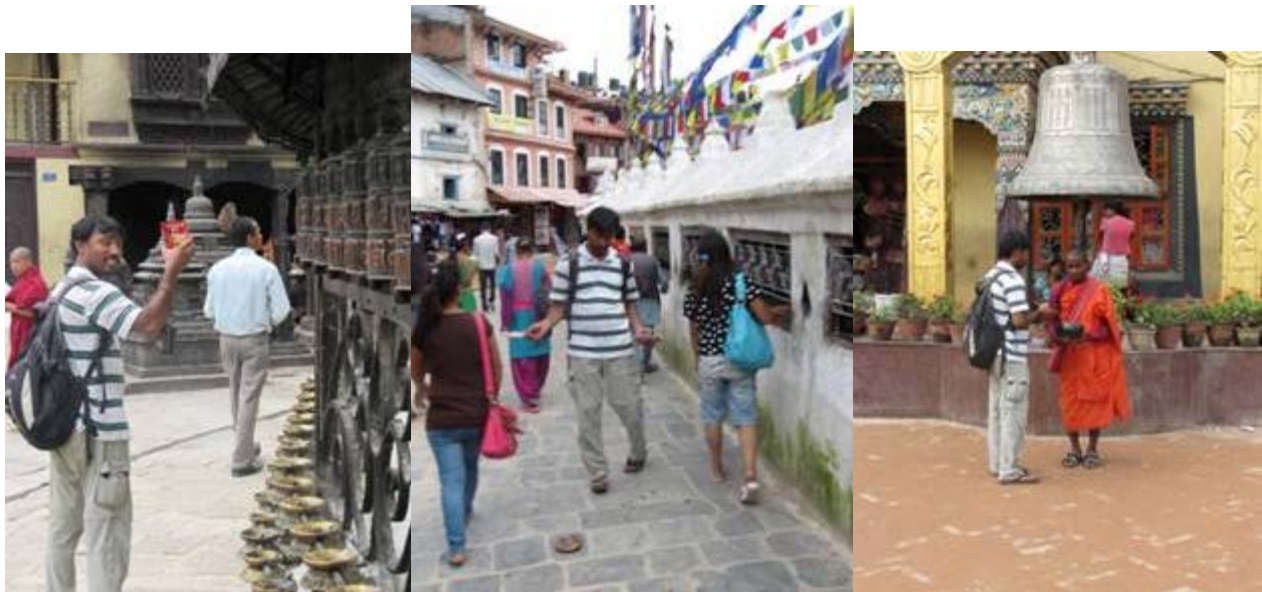

Greetings from Himalaya in the name of Lord Jesus!

The sunset view from Arghakhachi, Western Nepal

And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. Matthew 24:14

Let's praise God for what He did through us in last three months. And we would like to thank you for your continuous prayers and supports for this frontline ministry, reaching the lost where they are. God took us to many places both in the city and remote villages, from cool villages to hot plains, from dusty chaos city to calm villages. The tribal people live every where and we had the opportunities to reach them with the true Gospel of Jesus Christ. Some, we met in their shrines and holy places, and we truly respected them by giving them the true Way of Life which their gods and goddesses, the holy shrines and idols can't give.

Tracts distribution at Buddhist shrines in Kathmandu

Yes, as the answers of your continuous prayers, God took us up to Arghakhachi, Western Nepal with His Gospel. Indeed, if we step out in faith, then we see the miracles. As I mentioned in my last prayer request, five of us left for Arghakhachi. On the way, we stopped at two towns to preach open air and give out the Gospel, where we had never preached before, because we used to take a bus which would not allow us to stop and preach wherever we wanted to. And we found out that Arunghola had weekly local open market every Sunday and it was Sunday when we stopped there for outreach. We preached and gave out the Word to many villagers whom we would not meet on any other day of the week at that particular town. Also we could give out to some Hindu pilgrims who came over and stopped their huge bus right in front of me, the preacher. They also took the Word. We praised the Lord to let us preach in that hot plain town. Then we moved on to hit Butwal city with very blunt and true message of salvation. Many heard and took the Gospel tract. We would like to remind you that this was only possible because we had the jeep. God provided this jeep for this very purpose that we could stop anywhere He led us and preach the Gospel. Off course, the message was, **"Why will ye die, O Nepalis? For the Lord had paid all for you."** We really thank those who faithfully prayed and gave for the jeep. Thank you very much and God bless you.

Arunghola Outreach

Butwal Outreach

Eleven of us, along with the believers from Kapilbastu, squeezed ourselves in our jeep and drove up and up and up, as such never seen before. We were praying with God to guide our steps and we were looking for a place to park our jeep in a safe place for the whole day. I pulled over and it was just in front of a police station and the in-charge of the station let me park just beside their gate, where no body was going to bother with the jeep. We thanked God for that provision and asked people where the villages were. So we divided up into two groups and our group ended up in a village that happened to be the largest village in the whole district of Arghakhachi, a habitation of 240 houses and every house got the Gospel. Please pray for these souls.

School Children at Arghakhachi

People were hungry for the Truth. Many offered food, one household picked some fresh, ripe pears for our group and another group was also served tea by the villagers. The little rain and slippery up and down narrow trails could not stop us from searching for the souls and giving them the greatest gift of our Creator God. We saturated about 5 villages and two schools in that day.

Arghakhachi Outreaches, people had a lot of questions about why we were there and that opened up the way to share the Gospel.

Arghakhachi outreaches

These Tharu tribal believer boys wanted to go with us so much that they had a strike at their homes, did not want to eat, did not want to go the school,

were very happy to hike the trails with hundreds of tracts in their bags.

We drove back to our base at Kapilbastu that night.

A believer family's house on public land

Next day, God took us down to the Indian border side, tribal villages of Tharus and Muslims which was very near to the birth place of Buddha. We played a guitar and a drum to sing gospel songs and invited people in God's Kingdom. People were very attentive because they have not seen and heard such crazy preachers and awesome message of salvation. One long snake was 6 inch below my feet while I was preaching. It was in the water right below me and did not bother me, and I did not stop preaching. We also were able to saturate the Muslim villages which had 6 mosques. Thus many villages were saturated in that day and once again it was possible only because of our jeep. Glory and power and honor be unto God alone.

Kapilbastu Outreaches

We had awesome fellowships with local believers at Chaubah also which encouraged both of us.

Beside that, locally we have been going out regularly. We hit the towns of Banepa and Dhulikhel with the Gospel on July 6. We also preached at Kalimati for the first time and God helped us to preach boldly for one and half hour with distribution of 1000 Sacrifice tract. Chabhil, Maharajgunj, Kalanki and other areas were also hit by the Gospel.

On top of that, Gos had given us many opportunities at our Berea Book Center to preach the Gospel to hindus and some korean cults. And Bimu and I are getting awesome opportunities to share the Gospel to rich people while we go out to the whole sellers.

Once again, we would like to really appreciate your partnership in this ministry. We covet your continuous prayers, supports and encouragement. As the Lord said, the laborers are always few and we want more laborers here in Nepal. A brother from Ireland joined us to Arghakhachi outreach who had never been to such a high hill before, also with the

Dear Praying Saints

Gospel. Praise the Lord. Now we are printing 60,000 John and 20,000 Provision tracts as our recently printed 20,000 sacrifice tracts were gone. Also, we would like to hit a big hindu festival at Kapilbastu, near to the Indian border. For that we are praying for Hindi text of Gospel of John and the printing fund. That festival is on November. Please pray for this as well.

The Lord has blessed us with good health now and the children are at school, need more attention now from the parents. Please pray for our children as well so that we can move on as such in the ministry.

God bless you.
